The **CHILD PLACING AGENCY (CPA) RATE** applies to any facility licensed as a Child Placing Agency, an Independent Foster Family Home, or an Independent Foster Group Home. Examples of CPA settings include foster family or foster group homes.

Child placing Agencies are persons or organizations, other than a child's natural parent or guardian, who plan for placement of a child or place a child in a child care operation, foster home, or adoptive home.

Foster Family Homes provide 24-hour care for 6 or fewer children under 18 years old

Foster Group Homes provide 24-hour care for 7-12 children under 18 years old.

The **RESIDENTIAL TREATMENT FACILITY (RTC) RATE** applies all other residential facilities (residential treatment centers, halfway houses, basic child care facilities, therapeutic camps, etc.). Following are detailed descriptions of RTC settings:

Operation Serving Children With Mental Retardation: An operation that provides care for 13 or more children up to the age of 18 years for 24 hours a day. The children in care are significantly below average in general intellectual functioning and also have deficits in adaptive behavior.
